# Summer School for Electricians! WISCONSIN ELECTRICIAN'S EXAM PREP TRAINING CLASS

Due to high demand and interest we have scheduled a special summer session! You can learn how to find the answers to the questions on the Wisconsin Electrician's Exam using only the 2017 National Electric Code and Wisconsin Electric Code - SPS 316.

**August 6 - 7, 2021**  
**H Holiday Inn Madison**  
at the American Center  
5109 W Terrace Dr. Madison, WI

*Note: This two-day class has been scheduled due to overwhelming demand of a summer class. Seating may be limited and this class is expected to fill up fast so please complete and return the registration form on the back of this flyer ASAP. You may also find a fillable pdf of this flyer and registration information on our website at [www.wielectrictrades.com](http://www.wielectrictrades.com)*

The WETC acknowledges the seriousness of the COVID pandemic and its effect on our daily lives. However, we also realize that as vaccinations are completed a return to in-person classes like this can be held with some confidence and safety. Rest assured that both the facility where the class is held and the personnel presenting the class will be following all COVID safety protocols in effect at the time of the event. However, you are encouraged to take whatever measures you feel necessary for your comfort while attending the class.  
Thank you for your understanding and co-operation!

## Are you planning to take the Wisconsin Master or Journeyman Electrician's Exam?

Joe Hertel & Monte Ewing will instruct you on how to find the answers for the exam questions using the 2017 NEC and SPS 316 along with useful hints on how to prepare for test day so **YOU can pass the exam and get your license!**

Wisconsin Electrical License Exams are conducted twice each month in various locations. Exam information/applications/test dates are available [here](#). Click on the appropriate credential for additional information.

Plan now so you are prepared for your exam!

This class will also provide 16 hours of credit toward renewal of your Master or Journeyman's License or to maintain your status as a Registered Electrician

## 2021 WETC Electrical Training & Electrical Exam Prep Class - Summer Edition

Taking the Wisconsin Master or Journeyman's Exam can be a daunting experience. While no instruction course can provide the answers to the questions on the test, this two-day class will equip you with the techniques needed for completing the exam using only the Wisconsin State Electrical Code SPS 316 & the 2017 National Electric Code. You will work with practice questions & calculations as well as receive pointers on areas to study that will jump-start your study sessions leading up to the test. **Upon completion of this class you will have a better understanding of:**

- Calculations
- Motors
- Generators
- Raceways
- Cables
- Conductors
- Cabinets
- Service Equipment
- Utilization Equipment
- Special Occupancies
- What to expect on the exam
- Tips for passing the exam

**Who Will Benefit:** Anyone who is serious about passing the Master or Journeyman's Electrical Exam and desires an intense review and study session to refresh your knowledge of the electrical code, calculations and theory and boost your confidence in writing the exam. This class is also a good choice for anyone who is in need of CEU's for license renewal or has the desire to improve their understanding and ability to work with the NEC & SPS 316.

*(This class will also provide 16 CEU's for renewal of your Electrician License or Registration.)*

**REGISTRATION FORM - Fax or E-mail Registrations MUST be received no later than 7 days prior to the date of the class. Please telephone our office for late registrations.**
